Kia Ora: Village Moments

MARCH 2021

A HOLISTIC VIEW OF PHYSICAL, MENTAL AND SPIRITUAL HEALTH: MIND, BODY, HEART AND SOUL

Message from our Village Manager, Tania Grieve

We hope you had a great Christmas period. Happy New Year everyone!

What a start to 2021 it has been for us all. Thank you again for your continued trust, co-operation and patience when we had to close our Care households with Round 3 of COVID-19 in February; however it was good to see how quickly everyone was able to return to normal.

We had some great events happening over the lead up to, and through Christmas, with some fabulous weather contributing to some good times out in the sun at the Village. Some of these moments have been captured in this newsletter – enjoy.

The new ice cream cart has proven to be a big success.

A lovely poem has been contributed by a Buchanan resident's whanau member.

If you ever want to contact me about anything, please feel free to do so.

In the interim, hopefully you are settling into 2021 and we continue to provide a happy home for our wonderful residents.

Take care everyone.

Dreams Words by Charmian E. Hemming (Buchanan Resident whanau)

Who am I?

What am I doing?

Where am I?

How am I knowing?

Stories I enjoy-

True and make believe-

How to tell the difference.....

That's the secret I need.

Who are you?

What am I feeling?

How do I-

Know it is real?

Home is where the heart is-

Though aching to be free-

Free to find the secret of life,

And peace, the whole world through.

Valentine's Recipe: One cup of kindness, three cups of love, five teaspoons of happiness and two caring hearts.

We mixed them together and spread the love. We baked heartshaped shortbread, discussed the history behind Valentine's Day and distributed Hug coupons.

Residents enjoy baking with the team.

A balanced diet is an Ice Cream in each hand.

We got an ice cream cart which our team take around to distribute ice cream. Residents enjoy ice cream with sunshine 😊

Christmas party

Families came along, and residents had a great time.

Our Anglican minister Cliff offered Christmas Church Service. We truly appreciated his service and time.

Picnic in the garden

Here we are in summer.
It has been nice and sunny, so residents loved to walk and stay in the sensory garden. Nothing like having ice cream or lemonade in beautiful weather.
