

Free Seminar: Wed 20 January 1.30pm - afternoon tea provided

Free seminar - what is advanced care planning?

You don't have a crystal ball, so let us help you plan ahead.

Nobody knows what the future holds, so come to St Albans' free seminar on advance care planning presented by the DHB. You'll find out how to identify and document your wishes concerning future health treatment and end-of-life care. Thinking ahead now makes everything easier for you and your family. For more information call Laura on 021 905 778.
