ISSUER	Arvida Group Limited (“Arvida” or “Issuer”).
DESCRIPTION OF THE BONDS	Fixed rate, guaranteed, secured, unsubordinated bonds (“Bonds”).
STATUS	The Bonds will be issued under the Master Trust Deed dated 28 January 2021. Principal and interest amounts in respect of the Bonds will be secured, unsubordinated obligations of the Issuer ranking equally among themselves and at least equally with all other present and future unsecured and unsubordinated obligations of the Issuer, except for liabilities mandatorily preferred by law.
GUARANTORS	<p>The Bonds have the benefit of the cross guarantee granted by the Guarantors under a composite guarantee and general security deed (“General Security Deed”). As at the date of this Terms Sheet, all the subsidiaries of Arvida are Guarantors. Village at the Park, a joint venture in which Arvida has a 50% interest, is not a subsidiary of the Issuer and is not a Guarantor.</p> <p>More information on the Guarantee can be found in section 5 of the PDS (Key features of the Bonds).</p>
PURPOSE	The proceeds of the offer will be used to subscribe for additional equity in Arvida Limited (a guarantor of the Bonds). Arvida Limited will use that equity capital to repay a portion of the Arvida Group’s existing drawn bank debt, providing the Arvida Group with diversification of funding sources and tenor.
SECURITY	<p>The Bondholders will share the benefit of the same security package as Arvida’s banks and hedge providers on a pro rata basis under the Security Trust Deed. This security is held by the Security Trustee.</p> <p>The key securities are:</p> <ul style="list-style-type: none">• Second Registered Mortgages in respect of Land used for the purposes of a Registered Retirement Village (“Retirement Village Land”). The Statutory Supervisors have first rights (ahead of the Security Trustee) to the proceeds of enforcement of each such mortgage, and first ranking mortgages in favour of the relevant Statutory Supervisor are also registered ahead of the Security Trustee;• First Registered Mortgages over certain Land that is not Retirement Village Land; and• general security over all the assets of Arvida and the Guarantors (except for Arvida’s joint venture interest in Village at the Park) under the General Security Deed. The Statutory Supervisors have first rights (ahead of the Security Trustee) to the proceeds of security enforcement against the Operator Guarantors and also generally hold general security (ranking below the General Security Deed) over the assets of the Operator Guarantors. <p>The Statutory Supervisors hold their security in connection with their appointment under the Deeds of Supervision and the Retirement Villages Act, to protect the interests of residents and intending residents of the Registered Retirement Villages.</p> <p>More information on Security can be found in section 5 of the PDS (Key features of the Bonds).</p>
FINANCIAL COVENANT	<p>LVR Covenant</p> <p>Arvida will ensure that, on each Semi-annual Test Date, the total amount of financial indebtedness secured against the Land subject to the Security is not more than 50% of the valuation of that Land.</p> <p>If there is a breach of the Loan to Valuation Ratio, Arvida must follow a process specified in the Master Trust Deed to remedy the breach. If the breach has not been remedied at the end of that process (after approximately 13 months), an Event of Default will occur.</p>

Distribution Restriction

Arvida is not permitted to make any distribution if an Event of Default has occurred and is continuing or if the making of the distribution would result in an Event of Default. This does not restrict distributions following a breach of the Loan to Valuation Ratio unless that breach becomes an Event of Default.
