

The Wood Retirement NEWS

September 2021

Welcome to The Wood newsletter for September.

What an eventful August we had, not going as planned with COVID striking once again and putting New Zealand into Level 4 lockdown. And as you all know, we had a gastro outbreak on top of this!

A big thank you to all the residents and staff, from Marguerite and myself. It has been a tough few weeks!!!

The outbreak has affected every one of us in some way. We are so grateful for your support throughout this. Being confined to your room, is extremely difficult we know. We have all been working hard to try to manage this outbreak and we have lots of learnings to take forward as well.

The Wood AGM was cancelled along with the Kitchen audit. No new date for the audit as yet.

The AGM has been rescheduled to 10th September at 1pm. This is dependent upon the South Island being in Level 2. It is unlikely folks from Arvida in Auckland will be able to travel, however we can hopefully have them join online.

You may have noticed that we have now changed to bottled wine instead of cask wine after requests from several residents. Thanks to residents for your feedback!

We warmly welcome all new residents and new staff that have joined The Wood family in August - Annette M in the Resthome, and new kitchen staff CM, Karen, and Cindy.

We sadly acknowledge the passing of Ray Dunn, Maureen Dellow, Margie Chalklen, Rodger Win, and Karen Hamlen-Williams.

Residents are welcome to walk outside in the garden and around the outside of the facility. We recommend you wear a face covering. Masks are available at reception.

Staff will accompany non-mobile residents outside to enjoy the sun as they are able.

Level 3 guidelines commence 1st September.

Unfortunately, still no visitors allowed, unless palliative and these are on a case-by-case basis. Contact the Clinical Manager, Marguerite O'Brien-Bennett.

Family and friends are still welcome to drop off care parcels, outside the main reception. Please ask family to ensure the name of the resident is clearly labelled.

Activities in September

Depending on COVID-19 alert levels various activities may be arranged.
These will be on an ad-hoc basis and notified on the boards.

Service for Margie

Sadly, Margie Chalklen passed away suddenly 26th August. Margie had a special place in many of our hearts as she had no family. The Wood will have a service for Margie (when gatherings are allowed) which will be a bright bubbly event. Everyone will be welcome to attend.

Accommodation News

We currently have studios
and an apartment available.

If you would like to know more, please contact Sam Fraser

From COVID-19 level 2, Cheryl, the hairdresser is at The Wood on Tuesdays and Thursdays.
Appointments can be made at Reception.

From COVID-19 level 2, podiatrist, Patricia Horlemann will come into The Wood twice a month. The cost is \$52.
Enquire at Reception for the dates. Please let the nurse know if you need to see the podiatrist.

Have you lost any clothing?

You will find lost items of clothing in the Activities room of the Resthome, or in the CCW main lounge.

This looks like fun Robyn and Karen!

Introducing... Munesh

Kia ora, I'm originally from the beautiful islands of Fiji, but NZ has been home for my family and I since 2016.

I'm blessed with a beautiful wife, 6 year old son and a 14 month old baby girl.

My favourite go-to places are the beaches and mountains as I was born and raised on the coastal side of Fiji.

I love fishing and working out in my spare time. Cooking is my passion, and I enjoy whipping up a good meal for my family, friends and customers. I love to explore my cooking by trying new ingredients and methods in both my personal and professional life. Music, movies, and beer are my stress-busters, but spending time with my family tops it all!

Pentagon Arithmagons

The aim of an arithmagon is to work out which numbers go in the empty circles. The numbers in the square boxes are made by adding together the numbers in the circles either side. For example, if the number in the square box was 10 you could try 6 and 4, but the numbers must also add up on the other edges, making this more difficult than it first appears.

My spelling is wobbly.
It's good spelling but it wobbles
and the letters get in
the wrong places.
